

RIGHT ROOFING RESTORATIONS

Right Roof Restorations was established in 2015. We service all Brisbane suburbs as well as the Gold Coast, Northern NSW and the Sunshine Coast.

We have gained a great reputation for restoring roofs, any roof repairs, leak detection and now exterior painting.

We are known for our great communication with our clients and keep them in the loop from start to finish. Our clients are left feeling very satisfied and confident that their roof will last many more years especially with our 10- or 15-year written warranty on all workman ship and materials.

With over 10 years in the industry, we have qualified tradesman who know and understand everything about your roof. We pride ourselves on our attention to detail, communication, customer service, presentation, honesty and punctuality. We never leave a mess and care for your property and belongings as much as you do.

We are a QBCC licensed (15106508) and insured Roofing Company.

We cover any type of roof whether it be tiled, terracotta, Colorbond/metal and even asbestos. We are accredited applicators of the brands we use and use only 100% Australian made and owned products. We have done a lot of research into the best paint that will go the distance in the harsh QLD conditions we are known to have.

We ensure restoring your roof is a stress free and pleasant process each and every time. We make sure you are left feeling happy and satisfied with the work before leaving the property. We make sure we address each and every question or concern you have before commencing the work. We keep you informed at every stage of the restoration, so you're not left wondering what is happening. Most standard roof restoration take between 2 & 3 days to complete. You do not need to be home for this to happen and we do not need access to the inside of your property.
