

Burns *for* Blinds

*Complete style guide for
indoor & outdoor living*

Burns create perfect home improvement products... for every season...for every household or business!

Venetian Blinds Still one of the most versatile and practical window coverings, available in 16mm, 25mm and 50mm size range.

Vertical Blinds Combining modern styling with practical functionality, vertical blinds incorporate fabric vanes that can be tilted or stacked left and right.

Holland Blinds Still one of the most popular blinds around today. Holland blinds offer increased light control, are extremely easy to clean and come in a huge variety of styles, colours and fabrics.

Timber Venetians The natural beauty of timber venetian blinds complement so many decorating styles, from the Federation look through to country and contemporary décor.

Woodmate Blinds The alternative wood blind that looks and feels like real timber, yet is unaffected by moisture through the use of man made materials.

Sunscreen Blinds Simple yet elegant, sunscreen blinds optimise the comfort of your home by keeping the heat out but allowing the natural light to filter through. UV protection, heat protection and fire retardant.

Roman Blinds For a contemporary look that combines soft fabric panels with a functional operating system.

Panel Glides Offering strength, durability and practicality, panel glides offer great solutions in contemporary window furnishings and light control.

Combo Blinds Offering two roller blinds in one, it consists of one sheer view blind and one blackout, allowing for twice the control over light and views. Enjoy filtered light or block it out entirely.

Security Screens Offering fantastic value, the security screen system protects your family and home from unwanted burglars & window damage whilst enhancing the aesthetics of your property.

Clear PVC Blinds Outdoor living has always been a part of the Australian way. Clear PVC Blinds allow you to comfortably entertain all year round.

Channel Awnings A low cost alternative to other awning systems where price is a major consideration. It protects from sun, wind and rain offering all year round outdoor living.

Canvas Awnings In the height of a hot Australian summer, one of the best ways of blocking unwanted light and cooling your home is by using Burns for Blinds canvas awnings.

Folding Arm Awnings Heavy duty retractable arms allow the awnings to be installed up to 16m in width and can expand up to 3.6m projection making them an ideal solution for patios and entertaining areas.

System 2000 Awnings The close fitting design of this versatile and attractive awning makes it an excellent choice for ground floor windows, offering optimum privacy and sun protection.

Canopy Awnings Provide excellent sun and rain protection around doorways and walkways. Our canopy awnings have an aluminium frame to prevent rusting.

Channel Awnings Still benefit from the great views, yet stop the sun and the rain from coming in. Awnings can be operated by rope and pulley, cord and reel, or a spring roller.

Aluminium Awnings With durability that lasts for years, the aluminium awning allows you to have instant shade and UV protection when you want it. Just a flick of the wrist deploys the aluminium awning.

Safety Doors Our range includes security doors and screens, safety doors with Invisi-Gard mesh and many more applications. Designed tough and made to look great.

Roller Shutters Designed with the highest quality of components, Burns for Blinds roller shutters offer the ultimate in safety, security, insulation and privacy for your home and family.

Hip Roof Centenary The unique Fielders Centenary Hip Roof is available as an attached or freestanding unit and comes in all the popular roof pitches of 15, 20, 25, and 30 degrees.

Flat Verandahs The Fielders Centenary Flat Roof is a stylish and attractive addition to any home. It is extremely flexible in its design allowing various roofing and guttering profiles to be used.

Gable Verandah The new freespan combines the strength of the Centenary box beam with wide spanning C-deck or Hi-rib roofing. This results in a clean uncluttered gable unmatched in today's market.

Centenary Carports Made from the highest quality Centenary material in a variety of different styles. Protect your vehicles and add value to your home by adding a Fielders Centenary carport.

Luxury Collection

Whisper Shadings Combining a series of tilting fabric vanes suspended between two layers of sheer fabric. Whisper Shadings offer the ultimate in light control and privacy.

Crimsafe Super strong Invisi-Gard can't be gripped so no attempt can be made to pull it out of its frame, like conventional grills. It can't be slit, battered or kicked in, even bolt cutters are ineffective. It's super strong!

Window Shutters Practical and beautiful, window shutters are made with quality materials with innovative features that increase light control, privacy and ease of use.

Combining elegance with superior quality

Cellular Blinds This unique construction provides excellent insulation, sound absorption and they are very durable yet extremely soft to the touch. Our cellular shades are available in two pleat sizes and come in a spectrum of colours.

PVC Zip Track System Offering side bar lock in systems and a rolling axle slide track. PVC blinds are simply the strongest and easiest PVC blind to use in today's market.

Motorisation Discover home motion by allowing us to control the sun and shade within your home working environments. The Somfy Automation System improves comfort, security and energy efficiency all via remote control.
