Computer Service

The Research

Over 50% of us know someone or have themselves lost valuable files due to a computer failure or issue

STEP
01

The Great Idea

So our big idea! To give home users the same protection we give to our business clients for a fraction of the cost.

STEP
02

The Production

We get you to supply an external USB drive (or we supply one), and we install SOHOCS monitoring, SOHOCS Antivirus and SOHOCS backup

STEP
03

The Delivery

We will scan and clean your system, setup the backup and make sure it's all working for a minimum small fee of \$88.00

STEP
04

The Brief

Then for just \$20/mth you have SOHOCS business grade antivirus and backup protecting your valuable files

STEP
05

Don't try a Geek, Use a Professional!
