

THE PICKLED DUCK

— KITCHEN & CELLAR —

ABOUT

The Pickled Duck offers a relaxed atmosphere in a light-filled industrial inspired café with stunning views overlooking Civic Park.

The perfect place for a coffee or a glass of wine with friends, come in for a quick meal or linger longer enjoying the Pickled Duck's many fresh and tasty offerings.

Here at the Duck we source the best local produce and ingredients to ensure you'll enjoy our great burgers and wood oven pizzas making you want to return time after time.

To ensure our burgers are at their best, we blend a selection of quality cuts of meat, seasoned with sea salt and freshly ground pepper. They're then char-grilled so you'll taste the true quality of our grass-fed burgers.

Enjoy your meal and company with one of our many craft beers and ciders we have on offer, selected from some of the finest South Australian microbreweries.

Take advantage of the wine cellar where we showcase a fine collection of Australian and world renowned wines. If there's something that catches your eye, why not purchase to enjoy at your table, just ask one of our cellar staff about the Duck's corkage.

You may like to complement it with a cheese or charcuterie board using a selection of our finest cured meats or matured cheeses that are on display in our curing room as you exit the wine cellar.

We hope you'll enjoy what the Pickled Duck has to offer and we look forward to your many returns.
