

AUS Vehicle Leasing

About Us

Here at [AUS Vehicle Leasing](#), we specialise in providing flexible vehicle leasing solutions, as well as fleet management options and cars for hire for businesses in Perth and throughout WA. Being leading experts in longer term business car and vehicle fleet leasing, we'll make sure to discuss whatever your vehicle needs may be to find the right solutions for your needs.

Our Services

The team at [AUS Vehicle Leasing](#) can help you choose the right passenger or commercial vehicle for your business and manage complex builds as per your industry requirements. The benefits of leasing with us include:

- Specialised maintenance and technical support
- No initial capital outlay
- Easier budgeting and reporting
- Flexible lease terms
- Tailored packages to suit requirements including maintenance, registration, insurance, accident management and fuel
- Flexible leasing options available, such as operating Lease/Finance Lease (with or without maintenance)
