

DESIGN AND CONSTRUCT TURNKEY SECURITY SOLUTIONS

Alarm Systems

Access Control

Concept 4000

CCTV

Intercoms

**Does your current security integrator always put you first
or are you just a number to them?**

Are you paying too much for your monitoring? Do you need advice?

At Arc Security Systems we understand that no two premises are alike and therefore we design and construct turnkey security solutions based on your needs & budgets. Our security systems are very effective in keeping unwanted persons away from your property and your valuable assets.

We pride ourselves on providing strong technical advice and support with over 20 years experience in the security industry. When it comes to security you cannot afford to cut corners on quality.

Our engineers are experienced across all facets of the security industry as indicated below. We hold all current security licences and have the skill sets and knowledge to put your mind at ease.

**Arc Security Systems is your 'One-Stop-Shop' for all things security
Call us now for a FREE consultation and quote.**
