

# Do you want to collaborate with like-minded innovators? Would you like to be part of a creative & entrepreneurial community?

You are invited to join our new co-working space.

Dimension<sup>5</sup> is a new, creative co-working space that promotes 'positive human collisions', sparks innovation and entrepreneurship across technology, start-ups, business and social enterprises. This space will maximize and accelerate the opportunities available through the exponential growth of new technologies across sectors for individuals and smaller teams or organisations.

This is a space in which to go above and beyond, where anything is possible.

Dimension<sup>5</sup> is a collaboration between Dimension Data & Creative Universe to promote creativity, leadership, entrepreneurship, innovative thinking and social business enterprises.

*Five-dimensional space refers to a hypothetical extra dimension beyond the usual three spatial dimensions and the fourth dimension of time in relativity physics.*
