2 DAYS OF FUN AND ADVENTURE

Come on a journey with us to one of the world's last unspoilt refuges - Kangaroo Island. It's just a 45 minute ferry ride from mainland South Australia and is internationally famous for its pristine wilderness, spectacular coastlines, amazingly beautiful beaches and its wildlife encounters.

We'll take you across the water to an island where kangaroos and Tamar Wallabies abound. Listen carefully and you will hear echidnas and goannas scuttling in the undergrowth and look up in the branches of the eucalyptus trees where cute koalas will eye you with mild amusement.

Join us on a guided beach walk and spend time with a colony of wild Australian Sea-lions. Watch them play in the shallows, surf the waves, relax and bask on the sand. Marvel at the New Zealand Fur Seals as they come out from the crashing surf to sunbathe on the rocks at Admirals Arch.

Tours are operated by experienced and friendly guides in small vehicles.

Stay at Vivonne Bay Lodge set on 206 hectares of natural Australian bushland with 1km of beach frontage. There's a range of indoor and outdoor activities including table tennis, 8 ball, cycling, kayaking, bush walking and swimming at nearby Vivonne Bay beach. Enjoy a delicious Aussie BBQ on the large outdoor deck area, and say hello to the resident kangaroos that frequently hop in to visit the guests!
