

1. All the renovators I've spoken to say they can do my Job. What makes WA Assett, The Bathroom Renovators different?

Yes, there are many renovators out there today, but WA Assett The Bathroom Renovators are not just renovators. We have specialised in Bathroom Renovations in Perth for over 20 years. We have been members of the Housing Industry Association (HIA) for over 15 years and have won many awards for renovation excellence. So you'll have peace of mind that we know everything there is to know about renovating your bathroom!

2. I want to renovate my bathroom and/or laundry as I love my house but it's looking really dated. What do I do next?

Visit our web site – www.waasset.com.au and check out our inspirational gallery of renovation projects, this will give you an idea of what can be achieved within your bathroom or laundry. Alternatively drop into our showroom or give us a call and our friendly knowledgeable consultants will arrange an obligation free in-home design consultation. In addition to giving you some wonderful ideas, and unexpected options, our consultants will also give you an estimated cost for a Bathroom renovation and/or Laundry renovation.

3. I have a set budget – do you only do high end projects?

At WA Assett The Bathroom Renovators our biggest motivator is to have you renovate your bathroom tastefully AND within your particular budget.

At WA Assett, we cater for all tastes and budgets.

Prices do vary according to your product selection however our consultants have a wealth of experience and will work with you to ensure your new room not only looks beautiful but suits your personal requirements, and stays within your budget.

Our client's all receive a detailed specification and plan including all costs associated with their renovation prior to commencing their project. This means avoiding going over budget, and knowing that you can complete your entire renovation without running out of money before you start.

4. I have a good eye for design. Why shouldn't I DIY my own renovating plan?

There is a lot at stake when you're in the throes of a renovation and guidance from a professional designer and renovation expert is a very smart move.

We take the hassle out of dealing with trades people, having to get lots of quotes, organising trades, delivery of materials, all finishing touches, so that you don't have to worry about any of it.

With WA Assett The Bathroom Renovators, you'll have the peace of mind that everything you're doing and every dollar you're spending is part of a big picture plan for a 'wow' looking property with no \$\$ wasted!

5. Will I have a choice of fixtures and fittings and can I supply them myself?

Absolutely – if you would like to purchase anything directly and provide it for installation at the appropriate time then we have no objections to this, alternatively our preferred suppliers have a great range of the latest fittings

6. Will there be much disruption in the house during my bathroom renovation?

It's inevitable there will be some! We endeavour to minimize the disruption to your family during the construction process and make every effort to keep the site clean on a daily basis, most importantly we communicate with you well ahead of time and keep you informed along the way to help minimise any disruptions to your household. We will even provide a complementary mobile bathroom to use while yours is being renovated!

7. Do I have to organise specialist trades such as plumbers or electricians?

No, at WA Assett The Bathroom Renovators we have all trades covered by our in-house team, and we use only fully qualified licensed and insured tradespeople to attend to your needs. Depending on your bathroom renovation there may be different skilled tradespeople who expertly carry out different jobs, electricians, tilers, plasterers, cabinetmakers, etc. We ensure each one of these arrives with a smile on their face, is polite and courteous, respects your home and not only does an expert job but cleans up too! You engage us to complete the whole job from start to finish.

8. I work, so will I need to take time off during my renovation?

No, WA Assett The Bathroom Renovators will provide a secure lockbox where you can leave the key each day.

9. How long will our renovation take?

This will depend on the scope of the work. A typical bathroom renovation may take up to 15 days allowing for the measuring, making and installation of your custom shower screen. This will of course vary depending on the complexity of the work and the existing house.

10. What happens if we're not happy with something during my renovation or afterwards?

One of the main reasons our clients choose WA Assett over other companies, is that WA Assett takes great pride in its workmanship, and in the final product provided to our clients. We guarantee to fix any problems that may arise and take responsibility for all the works contracted. Nothing will stand in our way of obtaining your complete satisfaction. When renovating with WA Assett The Bathroom Renovators you will receive a 6 year workmanship warranty covering all work performed by us and our friendly staff will be more than happy to assist you with any product warranty issues that may arise.
