COATING KINGDOM

2-PAC CABINETRY SPRAYPAINTING

OUR PROMISE TO YOU

Coating Kingdom is an innovative, trusted and reliable cabinetry spray painting company that will go the extra mile to provide your company and client the highest standard of service, anticipate and cater to your needs, with a commitment of the highest quality of work and consistency available in the industry.

FLAT PANEL PIGMENT

With innovative techniques and products all Coating Kingdom staff have the trained skills to produce an optimum finish on all and every panel as we believe that each piece of a project is as imperative for a professional finish.

CLEAR TIMBER POLISHING

With new age products like grain fillers, stains and finishing products here at Coating Kingdom we finish timber with a look to suite all styles.

SPLASH BACKS

Coating Kingdom is renowned for its specialized work on creating a glamorous finish on all splash back materials; Glass, Acrylic, Metal and much more.

Colour Matching consists of the industry scope of 90-95% accuracy, matching substrates like metallic, pearls and tiles may cause slight colour variation to samples as they are not solid colours.

All prices exclude GST and Coating Kingdom reserves the right to apply surcharges to any project that will require additional materials or labor content beyond normal cabinetry standards.
