### Office hours

Monday-Friday: 7.30am - 5.00pm  
 Saturday: 8.30am - 1.00pm

Call one of our friendly staff during these hours, and we will answer any questions you may have and most importantly arrange for an inspection to be conducted at your requested property to give you piece of mind when buying your new home.

## ABOUT US

We are a Requested Building fully insured we at MV Building Inspections can offer you free quotes on repairs if any are found during the inspection Buying a ready built home can be an exciting step, it may be your first venture into the home owner family or you may be moving into a new phase of your life's journey. Whatever your life plans are the property you are about to purchase will become your future home and at MV Building Inspections we want to give you every opportunity to make the best decisions possible.

That's why we have custom designed our Pre-Purchase Inspection Reports to provide you with the best information available in an easy to read and understand format. The reports format have been developed by the MV Building Inspections team from years of experience as practising builders and provide you with details you need regarding the home you are about to purchase.

Our Pre-Purchase Structural Inspection reports comply with, and exceed Australian Standard AS 4349.1 – 2007 Inspection of Buildings. By having one of our dedicated MV Building Inspections team carry out the inspection and produce an informative property report you will be able to form an understanding of the properties condition your about to purchase along with any defects or maintenance work that need attention.

Our Pre-Purchase Structural Inspection report is for the discerning home buyer looking for an inspection report covering structural items, RCD and smoke alarm installation, general external and internal property condition overview, major maintenance items and much more. Our inspections and reports cover all client types, from everyday home sellers and buyers to property investors, commercial clients, body corporates and property managers. We offer a high quality service to all our customers. Our inspectors have years of experience in the building and construction industry.

### Interested in joining our team?

If you're a current building or pest inspector or alternatively a licensed builder who would be interested in hands-on training to obtain your Building Inspectors License or Timber Pest License, then this may be the opportunity for you.
