

Elegant. A seamless line with virtually invisible joints, hidden connectors and stakes.

Shapeable. Create the shapes you want, from intricate curves to endless straight lines. And right angle bends without the need to cut and join.

Strong. Stronger than aluminium and traditional edging materials.

Durable. Steel does not crack, split, rot or dent and we guarantee it for up to 20 years.

Safe. The rolled top hides the connectors and stakes, so you can't injure yourself.

Applications. Suitable for footpaths, driveways, retaining walls, garden beds and steps.

Choice. Available in three finishes, eight different heights and four gauges.

Value. Cheaper than plate steel, aluminium or concrete edging.

Easy to install. Anyone can do it.

Metal Garden Edging.

Your Complete Edging Solution.

FormBoss™... why risk using anything else

FormBoss™
METAL GARDEN EDGING

Do it once, do it right!

Looking for a new edge to replace your tired looking and rotten timber edges, or flimsy plastic ones? Or are you looking to increase the value of your home with landscaping? Perhaps you work in the industry and are fed up with installing edging products that don't do the job... and are a headache to install.

FormBoss™ cuts out the problems and allows you to create any shape you desire with strength and ease, increasing the value of your project. FormBoss™ is also one of the quickest and easiest edges to install, saving you time and money!

Durable and strong, with clean and elegant designer looks

The FormBoss™ steel edging simply will not split, warp, buckle, crack, chip or invite termites like traditional edging. It just gives you total freedom of design, with exclusive clean designer looks for your garden edges, at any height from flush, up to 500mm retaining walls. The clean lines offered by FormBoss™ are quite unique and will do wonders for the look and feel of your garden.

Finishes

FormBoss™ metal edging is available in three finishes: Galvanised, Corten and Stainless Steel. Made locally and it's guaranteed for up to 20 years.
