TESTIMONIALS

"We knew that Extra Care was the right choice for us the minute we made the call. Not only did they have knowlege, they were polite, friendly and always helpful. When it finally came to our big move they were on time, true to there quote and most of all made our move day a good day!"

"When my family decided to move from the city to a rural area so many questions came to mind. Not only did I feel stressed to uproot my household I was worried about the logistics of such a big move! Extra care took me through the process step by step, then gave me and my family a great moving

experience."
