

"We love our regular clients because it means we can see the fruits of our labour over time and help our clients improve their gardens. It leaves the client free to relax and enjoy their outdoor space."

All gardens need love

At Weeding Women we nurture and care for your garden like it's our own. In fact, for over 25 years we've been transforming and maintaining gardens across WA.

Our services include:

- Weeding, tidying, edging and trenching of garden beds
- Weeding of paving and driveways
- Pruning and shaping up to 1.8 metres
- Planting and transplanting
- Raking, sweeping and blowing
- Fertilising and mulching
- Annual rose pruning
- Care of pot plants and hanging baskets
- Full garden clean-ups
- Regular maintenance plans

Our minimum service visit is three hours (*typically 2 gardeners for 1.5hrs each*) for \$264 (*incl GST*). We can estimate the time your job will take over the phone based on a series of questions.

We are pleased to offer a reduced rate for aged pensioners and regular maintenance clients.

Some things we don't do:

- Lawn care
- Pruning and shaping above 1.8 metres
- Rubbish removal (*however we will place the rubbish in the green waste bin or supply reusable bags for a small fee*)
