

Treatments based on the power of Dermalogica to discover in the synergy of these precious ingredients and our expert hands. From the tips of the toes to the tips of the lashes, art of massage provides a genuine sensation of well-being.

Mini Facial \$98/60mins

## COLLAGEN

This amazing treatment improves skin texture, increases elasticity, reduces lines and wrinkles, lightens pigmentation and uneven skin tone, and calms an acetic skin. In conjunction with our Diamond Dermabrasion machine, we will use Dermalogica products to ensure you leave feeling refreshed and rejuvenated.

Collagen \$120/60mins

## MICRO DERMABRASION

Microdermabrasion is a very popular, machine-assisted skin-exfoliating treatment. Microdermabrasion has advantages of low risk and rapid recovery compared to the other more invasive resurfacing methods such as dermabrasion, chemical peeling, and laser resurfacing. The vacuum pressure and speed are adjusted depending on the sensitivity and tolerance of the skin

## OXYGEN/ULTRASOUND/RF

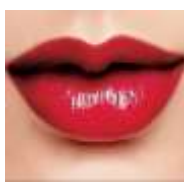

A safe, non invasive, long lasting treatment that helps smooth, tighten and contour. Treatment can be performed all over the body including the face, eyes, lips, tummy, hands, arms, legs and buttocks. Treatments are effective for patients of all skin types

- Each Eye Treatment \$50/30 mins
- Face Lift Treatment \$148/60 mins
- Reduce the eye bags. \$58/35 mins
- Reduce the dark eye circles \$58/35 mins
- Remove fine lines \$88/40mins
- Reduce wrinkles. \$88/40mins

## COSMETIC TATTOOS

What could be better than waking up looking as good in the morning, as you did the night before? Cosmetic tattoos are a safe and natural looking alternative to your daily make up routine. Available for eyebrows, eyeliner and lips.

## WAXING

Waxing is one form of epilation, which is a process of pulling hair out by the root. It is a permanent way to remove unwanted hair for men and women.
