About Stallion Homes

Stallion Homes' history dates back to 1975 when we were involved in many commercial and residential projects for both private individuals and Shire Councils in the Central Wheatbelt.

As dedicated country home builders we understand the special needs of our clients. We aspire always to excellence in custom designing and building of affordable homes for families across the Central Wheatbelt with a commitment to quality and sustainability.

Custom Design

We have a wide range of base plans for you to choose from to help start your own journey.

The Journey

Alternatively, choose from one of three special homes in our "Journey" range focused on the country style of each area of Western Australia
