Novus Cable Tackers

J-08-MP Hand Tacker

In general, hand tackers can be used for domestic and DIY applications. The fastener is fired and driven in by a finger-tensioned spring. We at Novus constantly improve the technical standard of our hand tackers for low-recoil, fatigue-free usage.

Features

The small hand tacker with high-quality ABS plastic housing for general purpose use. Using the slide mechanism at the front, the tacker can easily be adjusted for using fine and flat wire staples. It also features bottom-loading mechanism with safety lock release, snap lock, lock-down handle, staple inspection window and belt hanger.

Part No.	Description.	Trade Price \$
030-0430	Novus J-08-MP Cable Tacker	\$48.00
