WHAT WE OFFER

We at NWA ELECTRICAL SOLUTIONS proudly provide Sydney with an experienced, knowledgeable and highly skilled electrical service.

We do electrical design and installations. Fault finds and problem solving. Maintenance and upgrades. Projects and tenders. We service all residential, commercial and industrial applications.

Free quote and up front pricing ensures that you're always aware of, and agree to any costs before any paid works begin.

24hr emergency service gives you our support when you need it.

Lifetime labour warranty means our workmanship is of the highest standards.

Free safety inspections to raise awareness of any direct or indirect electrical hazards which may cause shock or electrocution.

Energy efficient designs and installations to save you money on running costs.

Practical solutions for the problems you may have with internet, telephone, lights, power, hot water units, smoke detectors, switchboard, wiring, motors or any other electrical issues.

Contact us today for a free quote and safety inspection.
