Digital Photo  
Restoration

## Serving East Gippsland.

Welcome...

I am based in the East Gippsland region in Victoria and specialise in working with small business.

Technical  
Writing

I use digital technology to restore your treasured old photographs.

Design and  
Layout

I have the skills to create a range of high quality documents in print and digital formats.

Website  
Design

I can help you design and manage a website tailored to meet your needs.

## 1 Basic Restoration: \$19.95 - \$49.95 per image

Damage is fairly minimal. Removal of minor blemishes, scratches and small creases. Simple restoration of colour and tone. Basic image enlargement, sharpening and cropping. Minor clean up of faces is included.

## 2 Medium Restoration: \$19.95 - \$49.95 per image

Damage is fairly minimal to moderate but the photo is intact. Remove some moderate blemishes, scratches and creases. Minor restoration of colour and tone. Repair some missing parts of the photo (small areas of faces or people). Some minor face repair.

## 3 Advanced Restoration: \$99.95 - \$159.95 per image

I will repair moderate to more extensive blemishes, scratches, tears and creases. Repairs to faces if they have moderate damage. Colour balancing and image enhancement.

## 4 Very Complex Restoration - from \$160 per image

Repairing images at this level takes a great deal of time and expertise. I will repair faces, more severe blemishes, tears and creases. Repair very bad discolouration and replace missing areas of background.
