

Fox Granny Flats

About Us

As the leading supplier of granny flats, [Fox Granny Flats](#) are renowned as the local experts in the field.

We recognise that our clients treasure affordability and value, which is why we give you the option to tailor your experience by customising your own granny flat. From start to finish, we build, deliver and install your desired design. In fact, each of our granny flats are locally made and 100% relocatable. Upon delivery, our experienced craftsmen will have your granny flat ready for you to enjoy within one to three weeks.

If you are interested in this wonderful addition to your home, we offer a free site visit to your home to assess the project costs. Even better, our state-wide service means that every home in Western Australia can have the privilege of enjoying its own granny flat.

Take living to new heights with Fox Granny Flats!
