How can we possibly describe our afternoon of complete & utter bliss at Sakura. Christy was exceptionally wonderful in creating a package for our corporate afternoon, a staff reward for an excellent quarter (this was put together after another establishment cancelled on us and we had 24 hours to find a replacement). We are thrilled that we visited Sakura and all 6 of us are planning when we are returning! Thank you all again – so very very much!!

Isa, Just a short note to compliment you and your staff on a great experience at SAKURA. From the initial greeting on arrival, to leaving after the treatment has been completed, the experience is one of welcome, friendliness and warmth. Treatments that I have had have benefited me greatly in terms of relaxation and removing soreness from exercise. I have not hesitated to recommend you to friends and colleagues and as you know have used your gift vouchers quite often. Once again congratulations on what you have achieved.

Walking into Sakura I was immediately reminded of the calm and luxury I've experienced from spas in Asia. There was tremendous attention to detail, with the lovely staff keen from the beginning to make sure we had a good experience. The massage was fantastic – one of the best I've ever had (and I've had a lot). I like mine hard but my Mum likes hers soft, and we both got exactly what we wanted. It's now three weeks later and my skin is still feeling the benefits of my facial. I felt really pampered and so relaxed afterwards. Thanks so much.

I had been going regularly to physios and Osteopaths for over 10 years with little result. After a series of massages with Isa I haven't seen a physio for 2 years. Now just a regular maintenance massage in the wonderful Sakura and I feel great. Thanks so much.
