### Rely on Ruttley Plumbing for:

#### Rapid service delivery when you need it most

When you phone us, our friendly team will confirm a time that suits you. We know your time is precious, so we arrive at your place when we say we will.

#### Upfront pricing for peace of mind

After we inspect your property, we quote before we start work. We'll explain the scope of works in terms you understand. Upfront pricing gives you 100% confidence and peace of mind. We know you don't like surprises!

#### Quality workmanship from a professional team

We wear shoe covers and lay mats to protect the work area. Everything we do is completed to the highest standards. Our uniformed team is clean, courteous and on time – every time. Should we need to make a mess, we'll leave your place spotless.

#### On-time job completion

Our Project Tracking System ensures your job goes smoothly and to timetable. You can view and track job progress, so you're always in the loop.

#### The latest drain and leak equipment technologies

We've invested in superior equipment technologies to locate and resolve issues faster and get your job completed sooner. From Hydrojetter drain clearing systems, drain diagnostic cameras and reline equipment to acoustic listening devices and electronic correlation equipment, we have the tools to get the job done.

#### An ongoing commitment to safe work practices

We're committed to maintaining the highest standards of occupational health and safety for our employees and contractors.

#### Easy payment options

Payment via major cards and EFTPOS is available for your convenience.

### Professional memberships

As proud members of Master Plumbers Association of NSW and Strata Community Australia, we're constantly abreast of industry trends and developments.
