# SHADEMASTER®

## Your all-in-one roof, insulation and ceiling solution.

### STYLE

Complement your home with a choice of over **80 roof and ceiling colour combinations**. Tasteful ceiling profile options and low-gloss finishes ensure seamless integration between indoor and outdoor living spaces.

### FUNCTION

Enjoy year-round comfort and minimal exterior noise with excellent insulating qualities. Panels clip together to form a weather-tight, **virtually undetectable seal**, and are **moisture-resistant** to deter mildew and condensation. The high gloss roof also **reflects heat**, keeping undercover areas cooler in summer.

### VERSATILITY

Perfectly suited to a wide range of traditional and modern designs, SHADEMASTER® **enhances all kinds of outdoor living areas** – including patios, pergolas, add-on rooms, pool enclosures, outdoor kitchens, gazebos and carports.

### MINIMAL MAINTENANCE

A **durable and easy-to-clean finish** is achieved with the use of high-grade steel and the HD COLOR-COTE® Coating Process.

### MADE IN AUSTRALIA

Quality product crafted by Hunter Douglas Limited, with over 60 years experience in manufacturing premium home improvement products for the **Australian market**.

### ENGINEERING AND OPERATIONAL TESTING

**Engineered for Australian conditions** (to BCA guidelines) and compliant with Australian Standards. Independently tested and approved for cyclonic regions<sup>^</sup>.

### GUARANTEED 10 YEAR WARRANTY\*

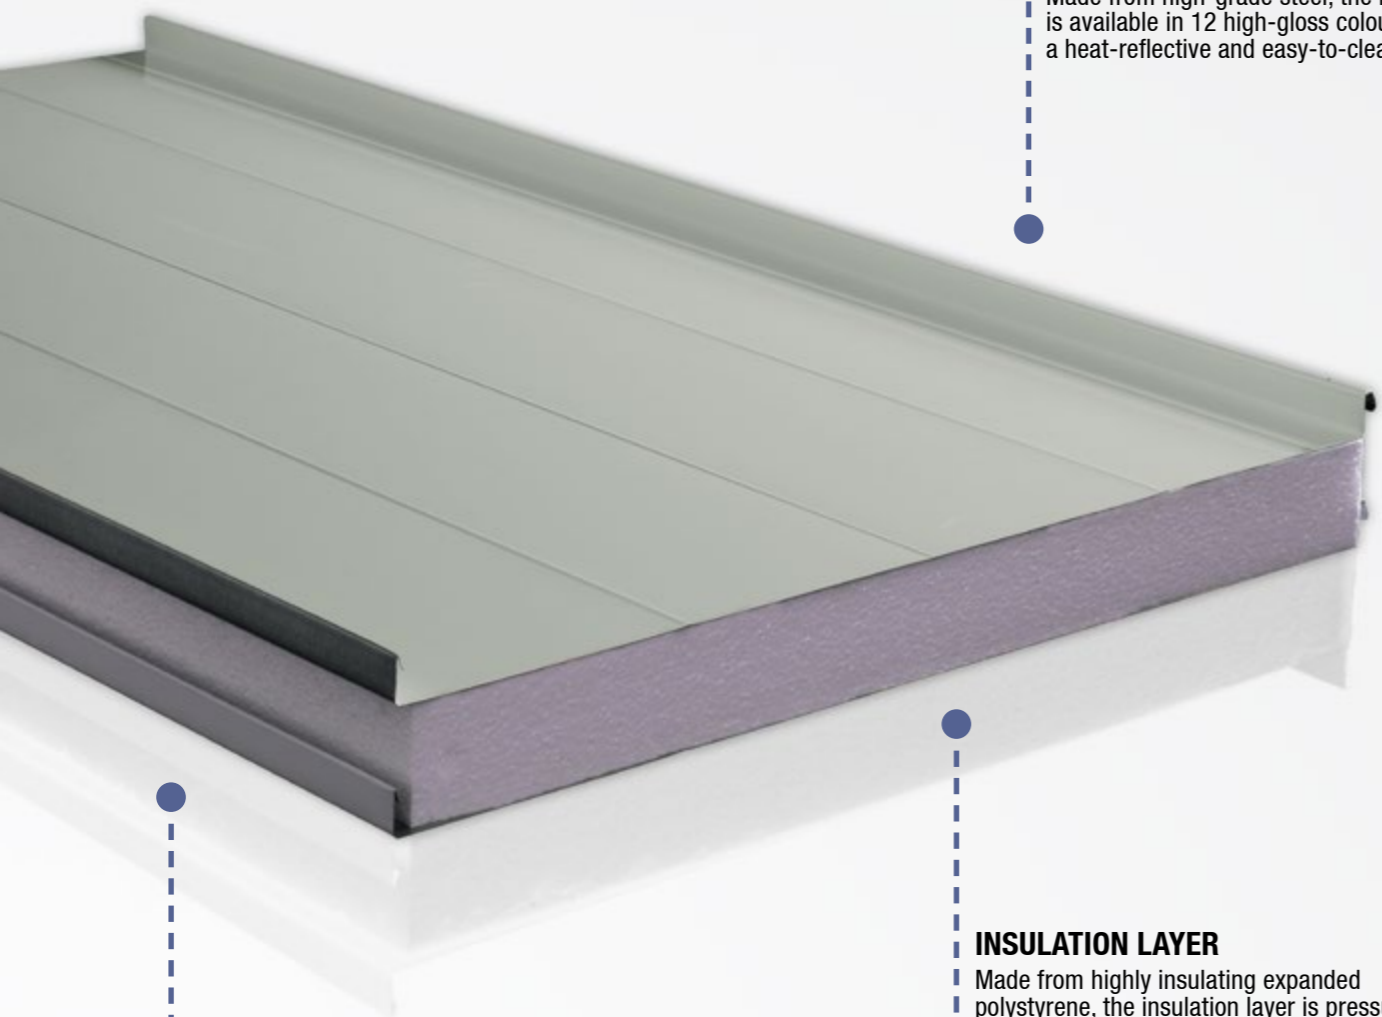

Enjoy total peace of mind with a **10-Year Warranty\*** on all SHADEMASTER® insulated roof panels.

<sup>^</sup>Refer to the JCU Report TS740 December 2013. \*Conditions apply. See [www.hdshademaster.com.au](http://www.hdshademaster.com.au) for warranty document.

# SHADEMASTER® Insulated Panels

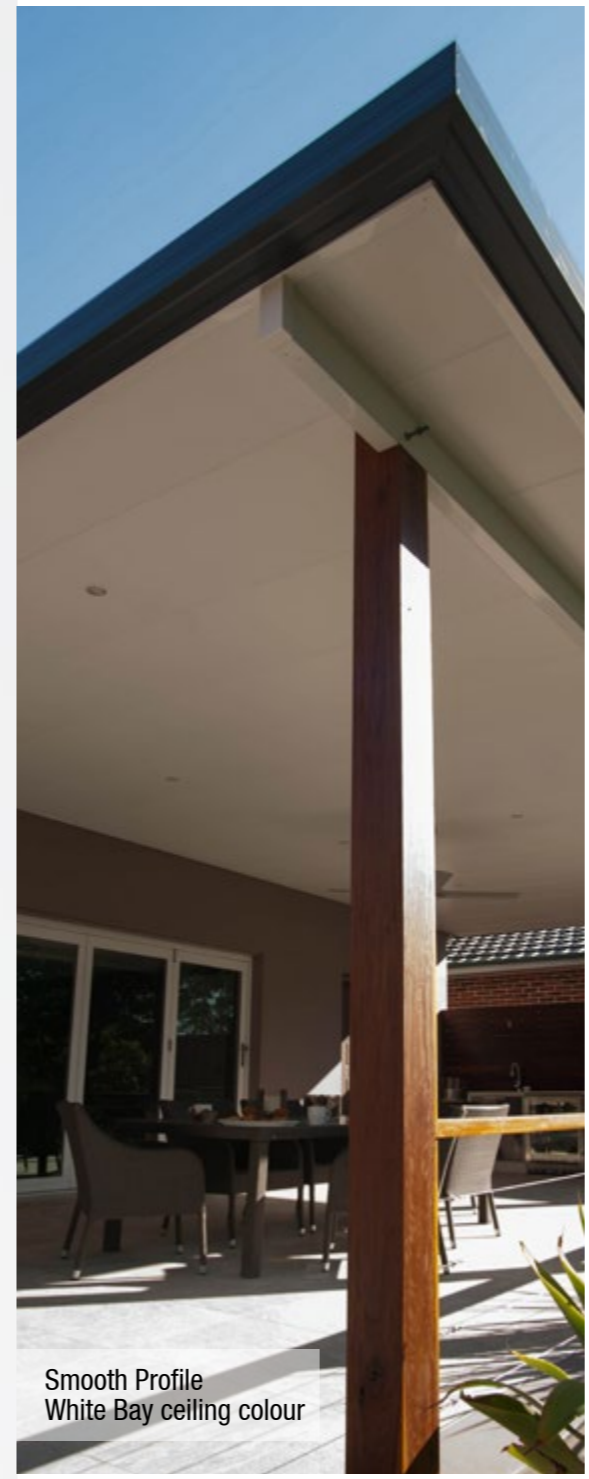

## 3 layers for ultimate protection.

**ROOFING LAYER**  
 Made from high-grade steel, the roofing layer is available in 12 high-gloss colours, achieving a heat-reflective and easy-to-clean finish.

**INSULATION LAYER**  
 Made from highly insulating expanded polystyrene, the insulation layer is pressure-bonded to the roof and ceiling layers, with specially formulated adhesive providing strength and durability. Available in 35mm, 55mm, 90mm and 115mm thickness options.

**CEILING LAYER**  
 Made from high-grade steel, the ceiling layer is available in 7 low-gloss colours and 3 profile options.

## Superior Insulating Performance

The 'R-value' of material is the measure of its resistance to heat flow across its surface. Larger R-values indicate better insulating performance, keeping your covered areas cooler in summer and warmer in winter.

Common Examples	'R' Values
Glass windows	0.17
Double glazed windows	0.50
Single skin roof	0
115mm SHADEMASTER® insulated roof	3.00

*SHADEMASTER® insulated roof panels have superior insulating properties for all-year-round comfort.*

All calculations for the above are based on a mean temperature of 23°C in compliance with AS 4859.1:2002 Section 2.3.3.3

# Flexible Design Options

With SHADEMASTER® roof panels adaptable to many structural designs, you can create a beautiful focal point in your outdoor area. Choose from our standard designs below, or contact your SHADEMASTER® Design Consultant for a unique, custom design to suit your taste and requirements.

## GABLE ROOF

Spacious and impressive, a Gable roof allows maximum air and light to flow through your outdoor living area. It can be free-standing or attached to your home.

## GABLE & SKILLION ROOF COMBINATION

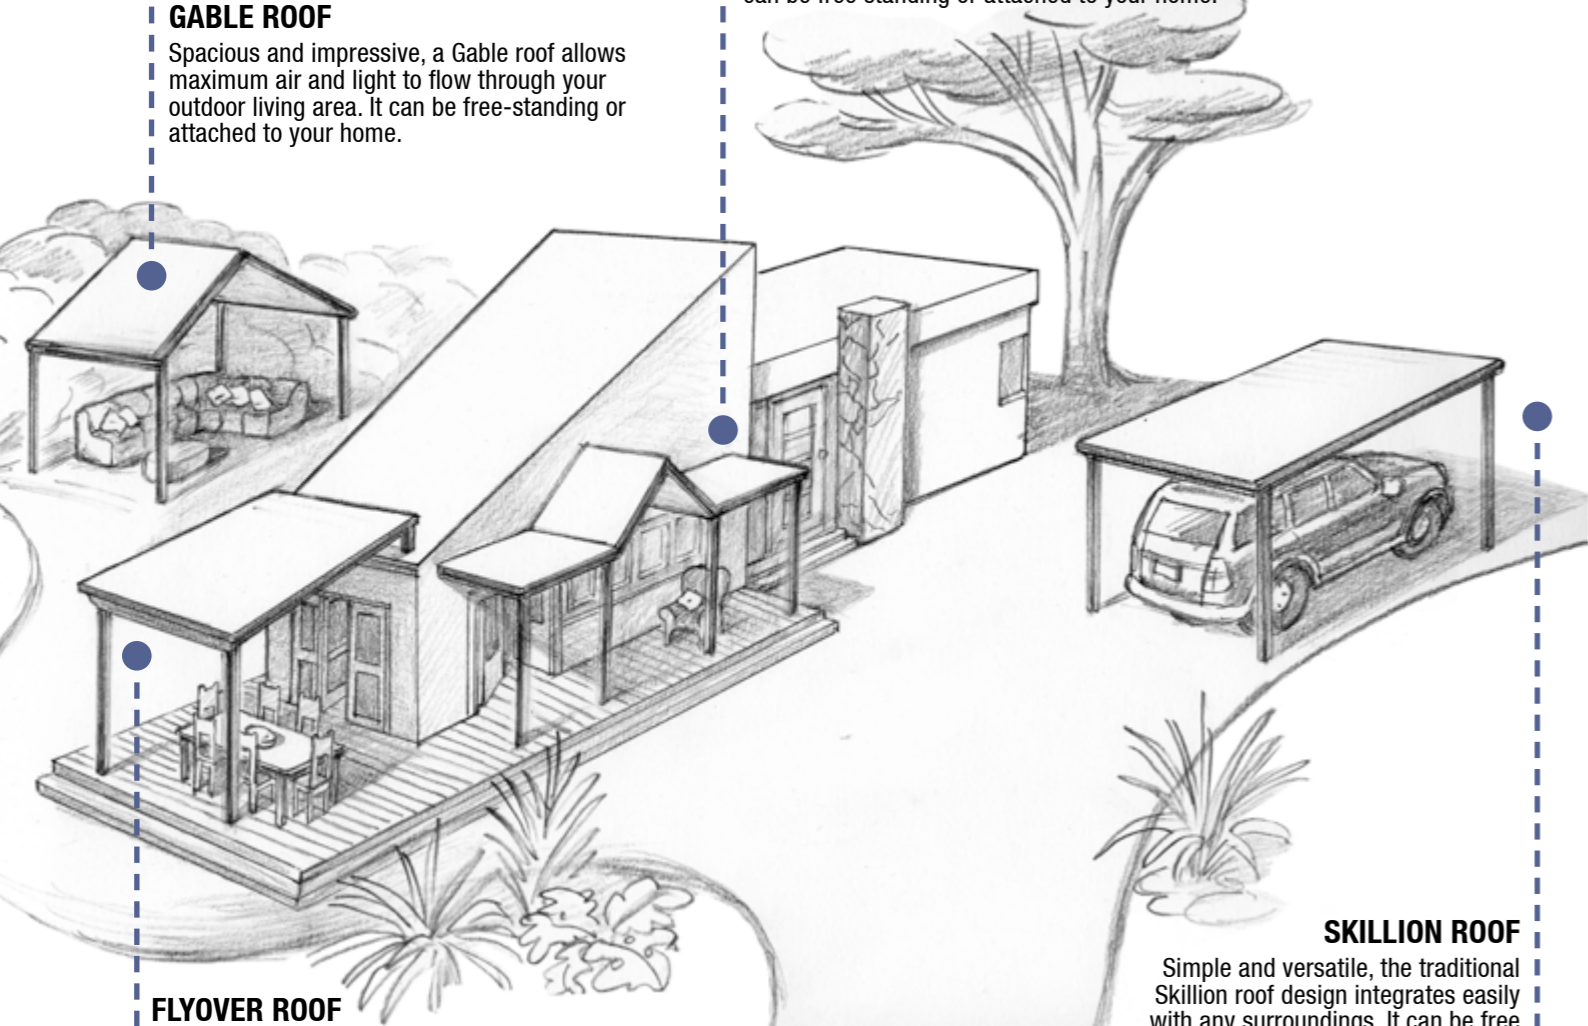

The spaciousness of the Gable roof design combines well with versatile Skillion roofs to create a unique highlight for any home. It can be free standing or attached to your home.

## FLYOVER ROOF

With attractive high ceilings and minimal framing for an uninterrupted view, the Flyover roof design creates striking open living areas with optimal airflow and plenty of natural light. It is attached and positioned over an existing roof line.

## SKILLION ROOF

Simple and versatile, the traditional Skillion roof design integrates easily with any surroundings. It can be free standing or attached to your home.

Smooth Profile  
White Bay ceiling colour

# Customise your look with 3 profile options.

SMOOTH

Clean, modern styling gives the appearance of an internal ceiling.

V140

< 140mm >

Stylish look with 140mm wide v-groove spacing offering distinctive visual appeal.

V70

< 70mm >

The original unique decorative ceiling profile with 70mm wide v-groove spacing.

# Style Solutions

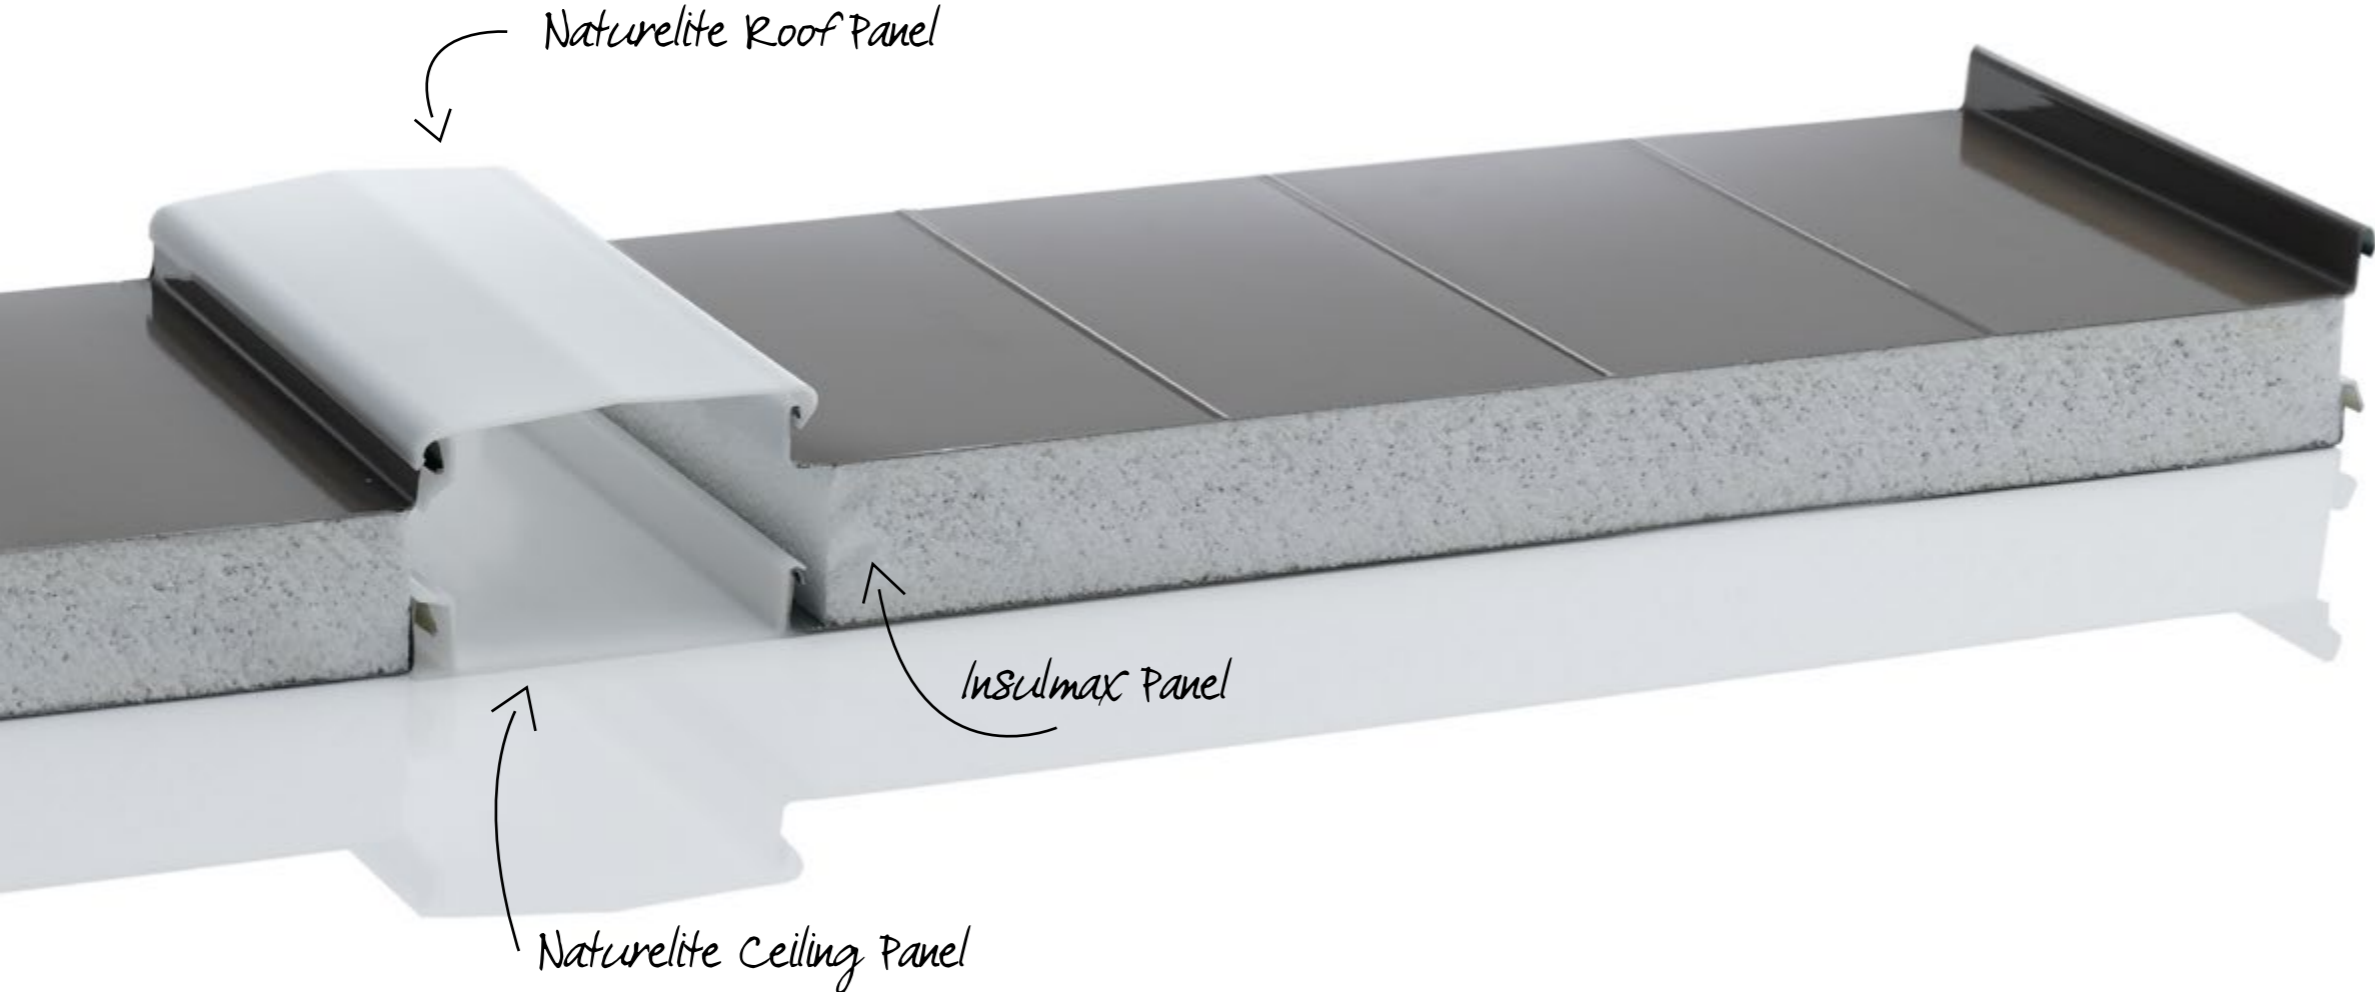

With the versatility of SHADEMASTER® insulated roofing you can create an attractive, insulated environment to perfectly suit your home or backyard. Style applications include patios, alfresco areas, outdoor rooms, gazebos, carports, commercial projects and much more.

# Naturelite System

For letting natural sunlight into dark covered areas, SHADEMASTER® offers the perfect solution.

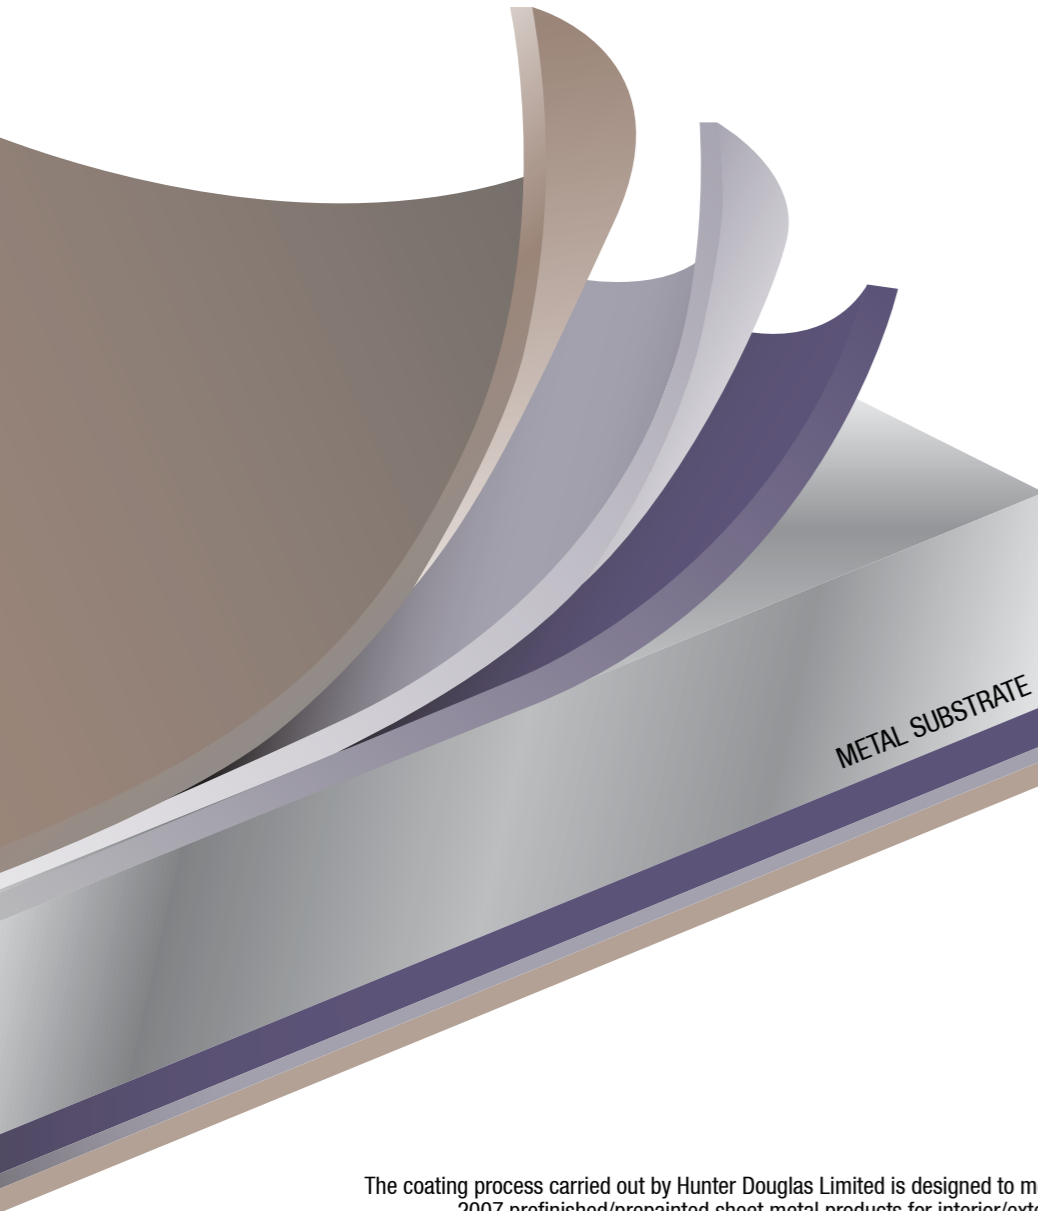

Naturelite translucent roof and ceiling panels allow light to penetrate. Ceiling panels can be easily removed for cleaning and provide a flush look to the ceiling.

# The 3-stage HD COLOR-COTE® Coating Process

The 3-stage HD COLOR-COTE® Coating Process produces one of the finest and most durable modern coatings available, offering outstanding corrosion resistance with excellent colour and gloss retention.

HD COLOR-COTE® is applied to the metal by roller coating; an accurately controlled application with consistent tolerances, far superior to powder coating.

## STAGE 1: PRETREATMENT

Hot alkaline cleaning of the metal followed by roll-on application of a Chromatic Conversion Coating, which prevents corrosion and improves paint adhesion.

## STAGE 2: PRIMER

A specially formulated polyester primer is applied, designed for flexibility and corrosion resistance.

## STAGE 3: FINISH COAT

A polyester-resin top coat, designed for greater exterior durability and flexibility, is applied and then oven baked.

## Colour Selector

Customise your SHADEMASTER® insulated roof with a choice of 84 colour combinations. Simply choose your roof colour, then select your ceiling colour.

ROOF COLOUR: 80 GLOSS

Mombasa

Thundercloud

Sorrento

Diamantina

Raintree

Tundra

Stealth (25 gloss only)

Joadja

Mood Mocha

Chardonnay
