Kitchen Plumbing

If you're having any Kitchen Plumbing issues – big or small no matter what time of the day is, call our team now on 02 9150 8779. At The Plumbing Wizard, we genuinely care about solving your problems, providing you with great service, and being as friendly and helpful as possible.

“What a disaster! I had water pouring everywhere from a burst pipe. I called Bill and thank God I did! He helped me over the phone until he got here and explained to me how to turn the water off. He got here quickly and he fixed it. Great service and I highly recommend him. A 10 out of 10 for me”

★★★★★ – *Laura Cooper*

The Plumbing Wizard are licensed and registered professionals with over 15 years experience servicing all of Sydney's Inner West. Our work is Fully Insured, we use quality materials with the latest technology.

Bill Pappas – owner of The Plumbing Wizard knows how dirty some tradies can be “... it drives my wife nuts! Thats why I clean up after every job.”

Unlike other plumbers I include a labor guarantee. If for whatever reason it is not fixed, I personally come back and fix it. For free.

I also keep you informed throughout the entire process. You deal with me (the owner) directly."

You're dealing with Inner West Sydney's Best Plumber and Plumbing Company.
