Always in Line. Always on Watch.

Honesty and Punctuality

The Linewatch Team

Linewatch are a Melbourne based professional security organization that provides a full range of services to the people of Victoria. We are a team of fully accredited and experienced security operatives who are trained to the highest standards to comply with the strict codes of conduct required for registration with the Australian Securities and Investments Commission.

Our trained professionals are experienced at handling every level of security requirement from personal protection to event and corporate security. We can provide experienced operatives to fill a wide variety of security guard

roles including crowd control, concierge duties and patrols for industrial premises.

Your security is the first concern of the professional staff at Linewatch and we employ a diverse range of measures to ensure that where possible we prevent uncontrollable situations from occurring. Our operatives are trained to evaluate locations and to develop strategies that ensure the security in almost any situation. We provide a risk assessment service and are trained to work closely with authorities, other agencies and our clients to ensure that every security threat is dealt with effectively.

The Linewatch Story

Linewatch's Director Tolga Karabiyik spent several years working in the security industry before establishing Linewatch in 2012 to provide a professional and cost effective security service to clients in the Melbourne metropolitan area

and he soon spread his operations to include all of Victoria. Since its inception Linewatch has developed a reputation for being a reliable and effective security service that provides a service that their clients can rely on.

Who we Are

Our Mission

Linewatch takes the security concerns of clients seriously and so we set very high standards of service and diligence. Linewatch has set the goal of becoming the leading security service provider in Victoria by offering security services comparable with the best practices in the world. Our mission is to safeguard Australian lives and property with unmatched service levels based on the 3 tenets of Integrity, Honesty and Punctuality.

Honesty and Punctuality

Linewatch Security Services

Every situation and premises is different and individual clients have unique security requirements. At Linewatch we work in a close partnership with our clients to collaborate with them on every aspect of their security requirements. This ensures that we understand the concerns and the needs of our clients so that we can provide them with the best service possible.

While we understand that security is important we are also aware that the best security service should be as unobtrusive as possible so that it supports the operations of our clients and doesn't interfere with them unnecessarily. We can tailor our services to suit

your situation and our uniformed guards can be attired appropriately for everything from a casual static door guard to formal uniforms for more official duties.

While it is impossible to put a price on your personal safety and the security of your property at Linewatch we also understand that a service has to be cost effective. Our security services are reasonably priced so that you can be sure that not only will you get a quality security service but it will be good value for money as well. At Linewatch we will work within your budget to put the best possible security service in place for you and your property.

How We Operate

Our security staff is qualified to work in association with the police and to provide assistance to paramedics if required. Our motto at Linewatch is integrity, honesty and punctuality and we provide a reliable and efficient security service that conforms to all of Victoria's strict legal requirements with objectivity and professionalism. We act to counter the source of any threat and report them to the authorities when it is appropriate. Linewatch uses modern equipment including CCTV and motion sensors as well as employing common sense methods like patrol teams to ensure the security of buildings and properties under our supervision.

Linewatch was founded in Melbourne by its director Tolga in 2012 and soon widened its range of operations to cover all of Victoria. We are a registered Victorian security organization with the State Licensing & Regulation Division and our staff is trained to act in an assistant role to the Victorian Police. Linewatch have also developed relationships with other agencies and we can provide a fully coordinated security service in conjunction with other organizations. Linewatch operatives can be used anywhere in Victoria and can be employed as static guards, body guards or to secure events perimeters.

Our Motto: Integrity, Honesty and Punctuality

Integrity: Our qualified security professionals work to a high ethical and moral standard which means that they provide a reliable service that adheres to all of the current legal requirements.

Honesty: The watchword at Linewatch is honesty. Our trained professional staff is made up of trustworthy professionals and we provide realistic and honest appraisals of your security risks and of the service that can be provided to protect you and your property.

Punctuality: We take your security very seriously and so we guarantee that every one of our operatives will arrive ahead of schedule to ensure that they have ample time to assess each situation adequately.

“Securing Victoria’s public and providing adequate solutions to our security problems is my watch word”

Tolga K.

Our Services

Our Qualified Security Personnel

At Linewatch we carefully select our operatives using a strict selection process that includes a complete background check by a respected and fully accredited 3rd party background verification agency. This ensures that we only employ the very best dedicated and qualified professionals in the security industry and gives our clients the confidence that is needed for them to feel secure in the services that we are providing. Linewatch operatives are required to follow a strict set of operational protocols at all times that covers everything from their personal ap-

pearance, diligence and how to respond to an emergency situation so that our clients can be sure that our security operatives will handle every situation professionally and appropriately.
