Pay as you Train or Learner's Package

You can **Pay as you Train** or you can take advantage of our **Learner's Package**.

At **Australian Motorcycle Academy** we take the training of new riders very seriously.

It is the things you learn in the early stages that stay with you for the rest of your time riding motorcycles.

So with this in mind, we make sure you are taught the fundamentals properly giving a solid foundation from which you then become a good, safe and confident motorcycle rider.

We also understand that people learn differently and as a result we offer one on one training Tuesdays to Fridays and small group training on Saturdays.

For beginners, we always recommend learning to ride with just you and the instructor as the best way for you to train.

This means your instructor is focusing on you for the whole period of the lesson and not giving their attention to any other person.

Our 3 hour sessions start at 8.00am and 12.00pm Tuesday to Friday. Saturday sessions are from 8.00am and 11.30am.

2 Day Training Course

... building confidence!

The 2 day course is great for experienced dirt bike riders or students who have not ridden for some time.

This course gives you one full day of training plus your 6 hour Q-Ride licencing course.

Refresher Course

... it's been a while

For licenced riders wanting a refresher course or lesson, we:

- Conduct 3 or 6 hour ride courses all in one day from 8.00 am to 3.00pm
- One-on-one training is also available of course
- We supply all your motorcycles and safety gear (helmets, jackets and gloves)
