

TOP GUN

PROJECT SERVICES

A DIVISION OF TOP GUN LANDSCAPING PTY. LTD.

COMPANY PROFILE

Top Gun Project Services was registered in 2003 and, despite being a young company, has developed a strong reputation in the industry. Top Gun Project Services, has the ability to complete big infrastructure works having recently completed projects that include SRWP (Gold Coast and Caboolture lines), the Eastern Pipeline and Boggo Rd Busway, supplying labour and sub contractors for all manner of landscaping & rehabilitation jobs.

We hold the Defence Housing Contract for three districts, supplying property maintenance and landscaping services for a large number of properties. The Company also provides landscaping and maintenance services for a variety of private individuals and companies.

Top Gun Project Services has approximately 30 full time staff comprising of permanent and casual employees to suit all requirements of the business. Top Gun Project Services works closely with excavator, water cart and bobcat operators as well as irrigation specialists and tree loppers and thus is able to provide and co-ordinate a complete service to its customers. Top Gun Project Services has fully qualified landscapers that have completed Certificate 3 in structural landscaping and has also current employees enrolled at TAFE completing the above-mentioned course.

Top Gun Project Services has had a complete management and safety system audit carried out on the business by AUDIT SERVICES INTERNATIONAL and the company has been verified as complying with the Australian Standards, although we are continually working on new ways to improve standards throughout the business.

So from general turfing and planting through to high quality paving, fencing, water features, etc Top Gun Project Services can complete all tasks.

The Company has built its reputation on provision of high quality and timely landscaping and maintenance works for all its clients and would appreciate the opportunity to work with you.
