I. INTRODUCING OUR PROGRAMS

**All private booking will be up 10% - 40% on the price list*

1 HCM Cooking Class program

HCM Cooking Class is unique & healthy cooking class in the world to teach you how to cook combining food and medicine as well as discover Vietnamese food culture – one of the healthiest cuisines worldwide. Coming to our class, you will visit the most beautiful Vietnamese medicine garden with plenty of kinds of herbs, spices and vegetables. Moreover, you will find out how to grow many kinds of mushroom in Mushroom house and understand Vietnamese herbs and spices’s influence for medicine and cooking after listening our pharmacist and chef explaining. Specially, taking on great challenges by becoming the real Vietnamese farmer on the Vietnamese traditional hat, you will try to remember, identify and select exactly kinds of vegetables in the Vietnamese medicine garden for cooking class & cooking show. With the fresh - picked vegetables, our friendly chefs will instruct you how to use these ingredients to cook Vietnamese traditional dishes.
