

Sydney-wide Document and Data Collection and Destruction
No Set Up Fees - No Contracts! - Tel (02) 9749 9337

Some of our AAA Rated Services..

Mobile Shredding We can visit your business premises, warehouse, medical centre or office with our state of the art mobile shredding facility. With closed circuit TV showing your documents being shredded, to security trained staff and a full Certificate of Destruction issued, our service provides you with peace of mind.

Document Destruction Our document shredding service provides your business or organisation with a streamlined, secure and certified destruction service. From pickup to delivery, destruction and recycling, we offer AAA rated service so you know you are abiding by the new Privacy Laws.

eWaste and Hard Disc Disposal

Your growing collection of used and outdated eWaste can now be correctly picked up and disposed of forever! We pick up old computer hard drives, PCs, monitors, fax machines, mobile phones you name it. Certificate supplied of course!
