We offer visionary menus that are constantly evolving, guided by the season's bounty and the best Western Australian produce available.

Our COMO Shambhala Cuisine menu also features at breakfast, lunch and dinner, providing healthy, lighter options for those who wish to focus on healthy and wellness. This menu also includes energising fresh juices.

Born in Perth, Western Australia, Kim Brennan returns to his home city as Head Chef of Post at COMO The Treasury.

Following time in London at Notting Hill Brasserie, he relocated to Sydney for a role at Becasse.
