Hi Esther, Stuart and I would like to say a big thank you to you for making our wedding day so awesome. The ceremony ran so smoothly and we loved your great sense of humour in our ceremony. You made me feel at ease when I was so nervous:-) I loved the way you embraced my different music and reading ideas to personalise our ceremony. We really appreciate everything you did for us and would not hesitate to recommend you to others who want a young, enthusiastic, vibrant marriage celebrant. Thanks Esther:-)

Esther Bliss is an amazing celebrant! We had to organise our wedding remotely from London and she made the whole process smooth and effortless. She has an amazing eye for detail, took care of all the logistics in Perth for us and really made our ceremony reflect "us" and the type of wedding we had dreamed of. I would highly recommend her to anyone who wants a genuine, sincere, warm and professional celebrant. We received great compliments on her and the way she ran ceremony- she will certainly put your mind at ease. Shona 😊

Esther married myself and my husband on the 15th of March and it truly was the best day of our lives and it wouldn't have been the same without Esther! She was everything we were looking for in a celebrant and more - she's funny, light-hearted and very professional. Thank you so so much for making our day perfect! :D

We planned our wedding in 10 weeks and found Esther on this website. We were very lucky to have her as our celebrant. What a warm, approachable and funny woman! Esther made our ceremony just as we wanted it... relaxed, real and full of heart. Thankyou so much. T & A

Esther Bliss was amazing from the planning process to the moment she pronounced us 'Husband and Wife'. We couldn't have asked for a better celebrant. She was organised, friendly and fabulous!

Esther helped me organise our wedding at very short notice (8 weeks!) and from the UK... when I was talking to celebrants she was the one that stood out as understanding exactly what we wanted and had experience of organising weddings with people based overseas. She is super efficient at organising paperwork and is still helping us now organising getting extra marriage certificates - above and beyond the call of duty! Esther was fantastic on the day and put us both at ease and made the ceremony incredible special. She is a first-class celebrant and anyone using her is lucky to have her!

Esther was an absolute pleasure to work with..easy going, great sense of humour, so encouraging, and still very professional. She did a fantastic job on the day, and we had so many comments from people on how nice she was, & what a good job she did.
