

ACADEMY OF NEWBORN PHOTOGRAPHY

This is to certify that

Felicity Broadbent

has fulfilled the requirements for

Certificate in Newborn Photography

Certified Photographers have achieved a 100% pass mark in the Certificate in Newborn Photography Online Course, consisting of 20 Subjects pertaining to Birth, Newborn Health and Safety and Workplace Health and Safety. They must complete their Infant CPR and First Aid Certificates, be fully immunised* and obtain public liability and/or professional indemnity insurance.

*Photographers unable to be immunised due to medical reasons must disclose this information
