Whether you are building a new home or replacing existing window furnishings Eez E View Shutters are the ultimate selection for style and durability.

PROUDLY AUSTRALIAN MADE

Eez E View Formline Shutters are made right here in Brisbane. Eez E View shutters pass through extensive quality control before they even reach the market.

FAST DELIVERY

Formline Shutters are locally manufactured and can be delivered in quick time. Imported shutters take around 9-12 weeks. Formline Shutters can be professionally installed in 3-5 weeks.

LONG GUARANTEE

Warranty coverage for 20 years. If any structural defects are found, we will either adjust or replace them with a fast professional service. Our warranty has got you covered so you don't have to worry.

FIRE RETARDANT AND UV RESISTANT

Formline Shutters are fire resistant unlike fabric blinds or timber shutters. Thermoplastic is UV stabilized to avoid discolouration.

SAVE ON ENERGY BILLS

Eez E View shutters are an engineered timber substitute that performs better, has more longevity and insulates up to 70% better than wood products and nearly 1600% more energy efficient than aluminium window furnishings.

MAINTENANCE FREE

Our material, manufacturing methods and professional installation ensure that Eez E View Shutters are manufactured to withstand extreme humidity, light, temperatures and normal usage for long periods of time.

TERMITE FREE AND ECO-FRIENDLY

Eez E View Formline Shutters are naturally resistant to termites. Constructed from thermoplastic with a ridged internal aluminium frame. Formline Shutters are derived from 49% recycled materials.

CLEANED EASILY

Eez E View shutters are easily cleaned. Just dust them down like furniture or wipe them down with a damp cloth.

WATER RESISTANT

Highly moisture resistant. Our shutters can be installed in very humid areas like bathrooms or behind kitchen sinks leading to pool areas. The perfect choice for humid coastal areas.
