[www.thrivecambodia.org](http://www.thrivecambodia.org)

Thrive Cambodia is dedicated to providing support to the Som Rong Village community, Siem Reap Province, Cambodia. We believe that **education is the key to a thriving community** and are committed to: funding Sim's Free English Language School; ongoing support for families to enable children to stay in State School, through sponsorship & microfinancing; and facilitating the provision of health & dental services, clean water & sanitation.
