

Surepak

About Us

[Surepak](#) was founded in 1987 to service the growing construction industry by supplying local builders with builder's film. Since that time Surepak has evolved to now supplying over 750 product lines to our customers. As Surepak's product line has expanded we have become a leading distributor of packaging products, packaging materialists, plastic films, and specialist bags across Australia.

At Surepak we supply products to a broad range of Australian industries such as mining, medical, construction, waste, food, construction, marine and beyond. Our 33 years' experience in supplying these industries has given Surepak a unique commitment to customer service, industry understanding and client satisfaction. Our experienced team are ready to source the most practical products and efficient, creative solutions for our customer's packaging needs.
