Naturopathy

This is the practise of preventing and treating conditions of the body by empowering its own healing energy. To support the body towards self-repair and self-healing we may use the following methods during our consultations:

- Western herbal medicine
- Dietary and lifestyle recommendations
- Vitamin and mineral therapy
- Bush flower essences
- Tongue and nail analysis
- Iridology

Initial consultation: \$70.00

Follow-up consultation: \$45.00

(Prices are not inclusive of supplements/herbal preparations)

Relaxation / Remedial Massage

By applying a combination of therapeutic and relaxation techniques to the soft and deep tissue, a massage treatment enables the whole body to repair, invigorate and relax itself.
